

**Public Land Survey System Corner Reimbursement
For Corner Excavation Application Form**

Name of Surveyor: _____ MN Lic. No. _____

Mailing Address: _____

Telephone No.: _____ Email address: _____

Does hereby apply to be reimbursed for the Excavation of the following PLSS corner(s):

In conjunction with a land survey performed for the following client: _____

I hereby state that I am an independent contractor and am not an employee or agent of Pine County. I agree to protect, indemnify and hold harmless Pine County from any and all causes of action, claims, demands, suits, liability or expense by reason of loss or damage to any property, or bodily injury to any person as a direct or indirect result of my operations or in connection with any action or omission of mine or those employed by me. I hereby state that I have complied with MN State Statutes 216D.04, Subd. 1 through Subd. 3 as they apply to the excavation of PLSS corners.

Surveyor's Signature: _____ Date: _____

I have excavated and properly backfilled in a roadway, which is under Pine County's jurisdiction in order to search for the above listed corner(s) and submit this corner excavation reimbursement request for approval and payment.

Surveyor's Signature: _____ Date: _____

**Public Land Survey System Corner Reimbursement
For Corner Excavation Application Form**

A minimum of 20-business days prior to the date of excavation the Pine County Surveyor must receive "Pine County Application for Work Permit on County Highway Right of Way Form." Said form must be approved by Pine County prior to the excavation date in order for excavation to be permitted and reimbursement considered. The requesting agent must adhere to all conditions stated on said form.

Include with this application for reimbursement a copy of the invoice from the contractor or subcontractor for excavation services provided to the applicant. The invoice should contain the following information:

- Name and contact information of the party providing excavation services.
- Each corner excavated identified by Township Range and Section.
- Date(s) excavation(s) performed.

If your application for reimbursement for corner excavation is approved Pine County will reimburse the applicant \$125.00 for each corner which has been excavated and properly backfilled.
