Application for Local-Option Disaster Abatements and Credits

IMPORTANT: Application for property that is NOT located in a declared disaster or emergency area

If your property has been damaged or destroy d by a natural disaster, arson, or other type of accident, you may be eligible to receive some property tax relief on this year's and next year's property taxes. The type of tax relief you receive will depend on whether your property is homesteaded, the amount of damage sustained, the number of months the structure is unusable or uninhabitable, and a number of other factors. If an assessor has not already reassessed your property, you should contact your county assessor's office and request that an assessor view the damage for the purpose of receiving disaster relief.

Pine County Personnel Committee
Minutes
February 12, 2013
9:00 a.m., Administrator's Conference Room
Pine County Courthouse

Members: Commissioner Chaffee
Commissioner Rossow
County Administrator David Minke, Office Manager Ilene Haavisto
Administrative Assistant Debbie Gray, Chief of Corrections Rick Boland and Health & Human Services Director Linda Cassman were also present.

1. Commissioner Chaffee called the meeting to order at 9:00 a.m.

2. The agenda was approved.

3. Commissioner Rossow moved to approve the Minutes of the January 8, 2013 Personnel Committee, seconded by Commissioner Chaffee.

4. Commissioner Rossow moved to approve the Minutes of the January 25, 2013 Personnel Committee, seconded by Commissioner Chaffee.

5. Jail
   Chief of Corrections Rick Boland reported full-time Corrections Officer Shanna Draves resigned effective January 14, 2013. Boland asked that the committee authorize the filling of the full-time position. Discussion was had regarding the back filling of full-time positions with part-time employees. Boland will post the correction officer position internally. County Administrator Minke recommends the filling of the position. The position is in the 2013 budget.
   The committee recommends approval of the request.

6. Health & Human Services
   Health & Human Services Director Linda Cassman reported that Children's Mental Health Social Worker Roxanne Anderson has been on unpaid leave since December 11, 2012 and will not be returning to employment with Pine County. Cassman asked that the committee authorize the filling of this position.
   The committee questioned the availability of internal candidates; Cassman indicated that due to recent vacancies and the internal filling of these positions she felt external posting would be necessary. Starting wage would be based upon experience and, depending on the experience of the candidate, may be above Step 1. This position will be funded by Targeted Case Management (TCM) payments (payment is received for any month in which there are face-to-face visits with a child).
   The committee recommends approval of the request.

7. Land and Zoning Administrator Application Update
   County Administrator Minke updated the committee on the applications received for the Land and Zoning Administrator position. After discussion, the committee determined that the job description and structure of the Land and Zoning Administrator position be reviewed and consideration given to reorganizing the functions. The county engineer will continue to supervise the daily operation of the land and zoning department.

8. Workers' Compensation/Family and Medical Leave Act (FLMA) Policy
   The County Administrator's Office Manager Ilene Haavisto requested clarification from the committee as to the Workers' Compensation/FLMA policy. Haavisto explained:
   1. Workers' compensation provides income to an employee injured on the job when that injury impairs an employee's work abilities. Compensation is at the rate of 2/3 of the employee's gross wages, and the employee contributes the remaining 1/3 (using PTO, sick or vacation).
   2. FMLA provides 12 weeks of unpaid leave to qualified employees during a 12-month period. The County continues to contribute to the employee's health benefits for the period of time the employee is on FMLA.

   The county's insurance carrier strongly recommends that upon an employee being placed on workers' compensation, they be also immediately placed on FMLA such that FMLA leave will run **concurrently** with the WC leave. The county has not been running the leaves concurrently but is allowed to do so under federal law.

   The committee recommends that leaves that also qualify as FMLA leave (including workers compensation) run current with FMLA leave and that staff draft a policy for consideration.

9. Performance Review – Lisa Blowers
   Non- union employees do not receive step increases, but are eligible for annual increases based upon performance. Section 10.5 of the Personnel Policy allows the Personnel Committee to set wages for non-union employees based upon performance.

   Based upon performance, the committee set the wage for IT Supervisor Lisa Blowers as $24.58 per hour effective January 18, 2013.

10. The meeting was adjourned at 10:22 a.m.

PINE COUNTY FACILITY COMMITTEE
MINUTES
February 6, 2013
9:00 a.m. – Administrator Conference Room
Pine County Courthouse, Pine City, Minnesota

Members Present: Commissioner Carlson
Commissioner Pangerl
Others Present: County Administrator David Minke
Facility Supervisor Kevin Newman
County Assessor Kelly Schroeder
Deputy Auditor Terry Lovgren

1. The meeting was called to order at 9:03 a.m.

2. Sunlight glare in atrium.
Staff reported on the glare created by the sun shining through the east side of the courthouse. The bright sunshine makes it difficult to see customers. Some security concerns were also discussed.

It was thought that several years ago the cost estimate was $15,000 for shades by the auditor's area.

Kevin will check on pricing for shades/tinting and also about the cost of ballistic glass.

3. Fitness walking by employees.
The Wellness Committee was is interested in increasing opportunities employees have for walking. After discussion it was determined that the best solution was to encourage employees to use facilities that are currently set up for this activity such as the local schools.

4. Other.
   - Old Jail: Pine City held a work session on January 30th and may have some interest in considering reuse for the old jail. The county will wait until next fall and if no interest, will pursue demolition of the structure.

   - Tuckpointing: The plan is to prepare for doing the work this spring/summer.

With no further business, the meeting adjourned at 9:50 a.m.

David Minke
County Administrator
Pine County Courthouse
635 Northridge Drive NW
Pine City, MN 55063

Dear Mr. Minke:

Thank you for meeting with me last Wednesday regarding our 2012 transportation service contract. We appreciate Pine County's support of our service.

As we discussed, our total operating costs for 2012 were $438,455 and our capital costs were $84,813. Pine County agreed to pay 15% of the operating costs and 20% of the capital costs not to exceed a total of $58,000.

At those percentages, operating costs are at $65,768 and capital costs at $16,963 for a total of $82,731.

Because our system revenue for Pine County was slightly higher than projected, we are requesting $50,000.

As per our conversation, we will not be asking to renew the contract for 2013. Please contact me with questions.

Sincerely,

Jack Larson

Repurchase and Contract Re-Instatement Deadline

(As reviewed and discussed by the Land Committee on February 5th)

Majority of last year's forfeitures are non-homestead and former owners have 1 year from the date of forfeiture to repurchase (May 15th deadline).

Homesteaded properties have up to the time of sale (no time limit), which is determined by the County Board and may or may not be the actual date of the sale. Last year this deadline was established at 14 days prior to the actual sale.

Recommendation for this date be moved to the day that the land sale is finalized by County Board Resolution (August 6th Board meeting) to allow ample time for advertising, legal notifications, postings, and viewings of the properties. This deadline would also be effective for re-instatement of land sale and repurchase contracts.

All applications for repurchase contracts and land sale contract reinstatements must be accompanied by cash or certified funds. (Not discussed by Advisory Committee).
