

Application for Local-Option Disaster Abatements and Credits

IMPORTANT: Application for property that is NOT located in a declared disaster or emergency area
 If your property has been damaged or destroyed by a natural disaster, arson, or other type of accident, you may be eligible to receive some property tax relief on this year's and next year's property taxes. The type of tax relief you receive will depend on whether your property is homesteaded, the amount of damage sustained, the number of months the structure is unusable or uninhabitable, and a number of other factors. If an assessor has not already reassessed your property, you should contact your county assessor's office and request that an assessor view the damage for the purpose of receiving disaster relief.
