

ORDINANCE AMENDING THE  
PINE COUNTY SOLID WASTE ORDINANCE

The County Board of Pine County, Minnesota ordains that the Pine County Solid Waste Ordinance shall be amended as follows:

SECTION XIa. SOLID WASTE MANGEMENT FEE.

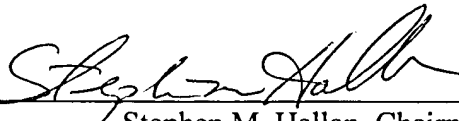

Subd. 1. This section is enacted pursuant to Minnesota Statute 400.08 which grants Pine County the authority to impose reasonable charges for solid waste management services including, but not limited to, public education, recycling programs, household hazardous waste programs, solid waste management facilities operation, and debt service cost. The purpose of this section is to establish a method of collection for such charges.

Subd. 2. Pine County may impose a service charge for waste management activities provided to properties in the County, and such charges may result in a special assessment payable with the real estate taxes.

Subd. 3. The charges shall be enforced and collected in the manner provided for the enforcement and collection of real property taxes in accordance with the provisions of the laws of the State. The charges, if not paid, shall become delinquent and be subject to the same penalties and the same rate of interest as the taxes under the general laws of the State.

Subd. 4. The County Board, by resolution, may establish or revise the rate schedule for solid waste management fee. If no new rate schedule for solid waste management fee is adopted in any year, the rate schedule for the previous year shall remain in effect.

Subd. 5. Any property who believe that the service charge imposed upon his property is incorrect, may appeal the charge. An appeal form may be obtained at the Pine County Zoning and Solid Waste office, and shall be filed within 30 days of mailing the property tax statement by the County. The County Zoning and Solid Waste office shall, within 30 days of the receipt of the appeal, review the appeal and notify the appellant by U.S. mail whether an adjustment is due or whether the appeal is denied.
