To Whom It May Concern:

This letter and enclosure are in regard to your recent _____.
It is of great importance to this Department to have a complete itemization of the property stolen or damaged and its value. This is needed for a two-fold reason:

1. To assist us in recovering your property or assess the damages.
2. To provide a dollar amount for the court, as this Office and the County Attorney's Office have always requested restitution from the individuals apprehended.

If you have a firearm taken, please describe the following:

If it is a rifle or a shotgun, we need to know if it is a pump, bolt action, semi-automatic, lever or single action. If it is a handgun, we need to know if it is a semi-automatic or revolver. Also include serial numbers, color of gun, blue finish, stainless or nickel-plated. If there is a scope, describe model, power and serial number.

In all cases please give serial number, if possible, or any other information that would help identify the property. You might have already furnished the deputy who was assigned your case with a list of items and/or damages. However, in some cases, other items may have been found missing or more damages are observed afterwards. Therefore, I would appreciate your assistance with the enclosure and request that it be returned to this office as soon as possible. Please be as detailed as you can when listing items without serial numbers.

If you have any questions pertaining to your case, please feel free to contact me. Thanking you in advance for your prompt attention to this matter.

Sincerely,

Robin K. Cole
Pine County Sheriff
